# PRADATTA ARYAL

## SOFTWARE DEVELOPER

📞 **9865500063**  @ **pradattaaryal2468@gmail.com**  🔗 **www.linkedin.com/in/pradatta-aryal**
📍 **thanabhayarang 11, Hetauda,Neapl**

## SUMMARY

 I aspire to become a software developer to solve complex problems, improve human experience, and create positive social and environmental impact. I am seeking an opportunity to apply my skills and knowledge in a real-world setting to gain practical experience and contribute to the success of a dynamic company.

## EDUCATION

### Bachelor of Information Management

**Hetauda School of Management and Social Sciences**

📅 05/2021 - Present

### +2 Science

**Makawanpur Multiple Campus**

## CERTIFICATION

### Python and IoT Program

**encypher**

enCypher Technologies/ 2023
Completed fundamental Python training, gaining knowledge about coding and problem-solving with Python.  Developed practical skills in Python for data manipulation and automation, laying a strong foundation for programming

### Developing Front-End Apps with React

**IBM/ 2023**

I have learned to develop interactive user interfaces (UIs) and web applications using React, JSX, and ES6. I can build dynamic websites and front-end applications quickly and easily by leveraging reusable React components.

### Introduction to Back-End Development

**Meta/ 2023**

Learn to interact flawlessly with both frontend and backend, including error handling, building APIs, and handling API requests, etc

## PROJECTS

### Portfolio

A clean design containing all my data
- https://profile-eight-dun.vercel.app/

### ecommerce

A full-stack MERN e-commerce web app with functionalities such as a cart page, admin page, product categories, etc.
- https://eco-5s21.vercel.app/

### Mern-Socialedia

A full-stack social media platform with functionalities such as creating posts, liking, saving, viewing users, authentication, profile pages, following, and friend lists.
- https://profile-eight-dun.vercel.app/p

### Resort-frontend

react tailwind resort simple frontend project
- https://beach-frontend.vercel.app/

## LANGUAGES

**Nepali**                                **English**                                **Hindi**

## SKILLS

**Node**    **Express**    **PHP**

**SQL**    **Mongoose**

**tailwind**    **css**

**html**    **css**    **js**

**Communication**    **Time Management**    **Quick learner**    **Team work and collaboration**
